City of Reno			
086-390-06	66	BLM	3 acres for affordable housing and 63 for regional park. Sky Vista Parkway - Acreage includes the remainder of undeveloped portion of the parcel. Park can be built accordingly with open space to fill undevelopable areas. The site has two major drainageways that cross the site, plus steep slopes on the eastern half that make it less ideal for future development.
087-021-15	120	BLM	50 acres for effluent storage; 30 acres for recreation fields (includes 8 fields with parking); 20 acres for roadway expansion (Red Rock/Lemmon Drive); 20 acres for affordable housing (parcel is adjacent to PUD's that have been approved but have not yet been developed)
081-023-02	4	FS	US 95/North Virginia Expansion - The parcels are currently vacant and located between a railroad right-of-way and the existing N. Virginia Street right-of-way. The request is for multi-modal roadway and utility capacity.
081-023-21	18	FS	US 95/North Virginia Expansion. The parcels are currently vacant and located between a railroad right-of-way and the existing N. Virginia Street right-of-way. The request is primarily for multi-modal roadway and utility capacity.
082-361-04	20	FS	City of Reno is interested in parcel for a park (Flat field complex with parking, playground, picnic shelter, and trail access).
082-361-20	3	FS	Trail head management
082-361-23	10	FS	City would like 5 acres for affordable housing and 5 acres for roadway expansion.

035-192-04	180.124	BLM	continued use as Wedekind Regional Park (WRP)
083-061-10	5.88	BLM	Right-of-Way for future roadway expansion, if needed.
084-550-01	448.16	BLM	continued use as Golden Eagle Regional Park (GERP). The City of Sparks enjoys the use of this land through Recreation or Public Purposes (RP&P) leases administered by the BLM. The RP&P leases allow the City of Sparks to manage the recreational programming and infrastructure at both Regional Parks. Since the city currently manages the park, would be easier if they actually managed the and rather than BLM
